Hi Phan,

How can I find out what the price is for the no parking signs?

Below you indicate needing to pay an invoice, but I don't have an invoice. I am looking to find out how much the permit would cost to turn this small section of the street into a no parking zone. [817 Vine to end of block at Waring](#)

There are no meters there, it is currently 2 hour (free) parking 8am-6pm and we have an encampment of trailers there.

Lisa,

Pls provide the following information. I have to see if I can issue permit first.

The following information are needed to process the temp signs request:

We require five working days in advance notice.

1. Date & time
2. Location: (be specific whether you want BOTH sides or just one side of the street). If there are meters involved, then we do need the meters' numbers.
3. Reason for the request
4. Contact info: Company name, address, phone, contact name & email address
5. Payment: **PLEASE MAKE PAYMENT BY THE DUE DATE ON THE INVOICE. ANY PAYMENT RECEIVED AFTER DUE DATE WILL BE DENIED SERVICE AND/OR WILL AFFECT THE STARTING DATE.**

Once payment is received, DOT will post and remove signs as required.

Thank you.

Dear Phan:

One of my stakeholders is interesting in finding out how much No Parking Signs would be for an area in front of their building from their driveway to the end of the block at Waring. Here is the link to the google maps [817 Vine to end of block at Waring](#). Is there a particular site within LADOT or Special Events that I should be directed to for a quote?

Let me know

Thank you
